Song: Different for girls   Artist: Joe Jackson

Voorstuk: A E-A E

```
A                                  E-A
What the hell is wrong with you tonight?
A                            C#m   F#m    E-A
I can't seem to say or do the right thing
A                                  E-A
Wanted to be sure you're feeling right
A                            C#m  F#m    E
Wanted to be sure we want the same thing
D    A           D     A
She said: I don't believe it
F#m C#m          F#m  C#m
You can't possibly mean it
D     A           D    A
Don't we all want the same thing?
F#m   C#m    G           D          A Bm C#m Bm
Don't we? Now who said anything about love?

No, not love, she said
C        D              C           D
 Don't you know that it's different for girls?
           A Bm C#m Bm
(Don't give me love ) No, not love, she said
C        D              C           D
Don't you know that it's different for girls?
C       D        Cmaj7
 You're all the same
