

Song: Need your love so bad Artist: Fleetwood Mac

Voorstuk: C C7 F Fm C (G-G#) Am Dm (A-G#) G C F C G

Need someone's hand to lead me through the night
I need someone's arms to hold and squeeze me tight
Now, when the night begins, then I'm at my end
Because I need your love so bad

I need some lips to feel next to mine
Need someone to stand up - to stand up and tell me when I'm lyin'
And when the lights are low - and it's time to go
That's when I need your love so bad

So why don't you give it up, baby and bring it home to me
or write it on a piece of paper, woman - so it can be read to me
Tell me that you love me - and stop drivin' me mad
because I - I need your love so bad

Need a soft voice to talk to me at night
I don't want you to worry, baby
I know we can make everything alright
Listen to my plea, baby, come on bring it to me
'Cause I need - your love so bad

So why don't you give it up, baby and bring it home to me
or write it on a piece of paper, woman - so it can be read to me
Tell me that you love me - and stop drivin' me mad
because I - I need your love so bad

Need a soft voice to talk to me at night
I don't want you to worry, baby
I know we can make everything alright
Listen to my plea, baby, come on bring it to me
'Cause I need - your love so bad
Baby, I need your love so bad
